

Kim Hudson-Gallogly, PhD, WHNP-BC, CNE

Curriculum Vita

Professional Summary:

Highly experienced and dedicated nursing educator with a proven track record in academia and nursing program management and leadership. Aspiring to serve your university in a part-time role, I offer strong expertise in leadership, program development, curriculum development, student remediation/coaching, faculty development, assessment and evaluation, facilitation of learning, and accreditation expertise. I am committed to enhancing student success and maintaining the highest standards of education. The list below provides an overview of my leadership, teaching, and management accomplishments.

- Proven expertise in managing and coordinating a diverse cohort of 700+ undergraduate graduate nursing students.
- Managed and supervised over 40 full time faculty and staff, and over 30 adjuncts.
- Dedicated educator for over 30 years having taught all levels of nursing (ASN, BSN, RN-BSN, MSN/NP, MSN/NE, DNP).
- Proven expertise in faculty recruitment, retainment, mentoring, and coaching.
- Proven expertise in student advocacy, coaching, remediation, and success.
- Proficient in working with accrediting agencies and boards of nursing (SACSCOC, ACEN, CCNE, GBON).
- Skilled nurse practitioner in the women's health specialty.
- Spearheaded the University System of Georgia DNP Consortium Program Development.
- Strategically facilitated the expansion of undergraduate and graduate programs.

Professional Education

PhD University of Georgia
Adult Education/LEAP

2011

MS Georgia State University Women's Health Care
1995 Nurse Practitioner
Clinical Nurse
Specialist

BSN Georgia College Nursing
1990

***LEAP-Lifelong Learning, Education, Administration and Policy.**

Academia/Employment Experience:

5/6/24-

Texas A&M University

Rank: Clinical Associate Professor

- Course facilitation, development, revision, evaluation, and re-evaluation (RN-BSN, MSN, DNP).
- Director of TX-Rural Engagement Program (TX-REP)(Nursing)
- MSN-ED Coordinator
- Chair: Total Program Evaluation Committee
- DNP Committee Member

2/1/24-5/15/24

Texas A&M University

Rank: Clinical Faculty/Part-Time

- Facilitator of student learning

6/1/22-5/3/24

East Tennessee State University

Rank: Clinical Assistant Professor

- Course facilitation, development, revision, evaluation, and re-evaluation (MSN, DNP, NE).
- Participated in curriculum mapping for graduate plans of study.
- Nursing Education Track (MSN/NE) Coordinator.
- **Director of Quality**
 - **Oversees the writing of the self-study for CCNE**
 - **Gathers data for self-study**
 - **Provides guidance in survey development, data collection, analysis of data, interpretation of data, and process improvement.**

- Clinical and classroom direction of students in the graduate level program MSN(NE/FNP) and DNP).
- Coordinator of the women's health courses within the FNP curriculum.
- Serves on the MSN-DNP subcommittee
- Serves on the Evaluation Program Improvement committee
- Serves as DNP Project Chair and committee member
- Serves on Graduate Curriculum Committee
- HELP-SARA (SANE Education) Grant-Principle Investigator

8/2019-5/2022

Georgia Southern University

Rank: Assistant Professor

- Course facilitation, development, revision, evaluation, and re-evaluation (undergraduate (BSN) and graduate BSN-DNP, FNP,NE).
- Nursing Education Track (MSN/NE) Coordinator.
- Clinical and classroom direction of students in both the undergraduate and graduate level programs (face to face and online).

- Directs all accreditation efforts for nursing (ACEN).
- Collaboration with Institutional Effectiveness (IE) regarding SACSCOC nursing narrative/justification.
- MSN Coordinator
- Site visitor for ACEN
- Evaluation Review Panel (ERP) ACEN.
- Classroom instructor and clinical preceptor for both undergraduate and graduate courses (online and face to face)
- **FLOC Certified to teach on-line courses (RN-BSN and MS/NE).**
- **Online courses reflect adherence to Quality Matters**
- Collaborated in the design and implementation of simulation center.
- Established interdisciplinary global engagement program to Bolivia.
- Doctor of Nursing Practice (DNP) Consortium USG Board of Regents (2015).
- Collaborated with Student Affairs, Registrar, Admissions, Advisement, Financial Aid, and Student Support Services to ensure student success.
- Evaluated Student Health Services through a systematic evaluation guided by Council for the Advancement of Standards in Higher Education (CAS).
- **Co-developed student remediation course modules.**
- Develops and negotiates partnerships for mutually beneficial opportunities.
 - Northeast Georgia Medical Center (100,000 yearly)
 - North Georgia Heart Fund
 - Clarkston Community Health Center
 - Dedicated education unit for nursing students
 - Lanier Technical College (articulation agreement)
 - Georgia Mountain Health Services (acquisition of ANPC-insured sustainability)
 - North Georgia Technical College-MOU-waiver for RN students.
- Project Director of Appalachian Nurse Practitioner Clinic (3 million)
 - Directed operations of clinic
 - Supervised students, faculty and employee's delivery of care
 - Developed policies and procedures for the operations of the clinic
 - Managed the budget of the clinic (HRSA award)
 - Instituted billing in clinic under federal guidelines and meaningful use guidelines
 - Provided primary care for patients.

June 99-August 2008 and August 2011 –August 2013

Rank: Assistant Professor/Associate Professor

North Georgia College & State University

- Course development, revision, evaluation, and re-evaluation (undergraduate and graduate).
- Committee work to determine general core for UNG students.
- Clinical and classroom direction of students in both the undergraduate and graduate level programs (face to face and online).
- **Proficient in student coaching, advocacy and remediation.**
- RN-BSN coordinator
- Participated in curriculum mapping for the programs at undergraduate and graduate level.
- Participated in development of self-study criterion for accreditation in both undergraduate and graduate education (NLNAC/ACEN).
- Student enrollment (320 undergraduate and 60 graduate).
- Co-authored HRSA grant for nurse managed care clinic (2004).
- Contributor HRSA grant (2006) funded at 5 million over 5 years.
- Co-authored HRSA grant reporting (2011) which lead to 1.5 million award (2012-2015).
- Successfully implemented problem-based learning pedagogy for graduate education.
- Project Director of Appalachian Nurse Practitioner Clinic (1.5 million)
 - Directed operations of clinic
 - Supervised students, faculty and employees' delivery of care
 - Developed policies and procedures for the operations of the clinic
 - Managed the budget of the clinic (HRSA award)
 - Instituted billing in clinic under federal guidelines and meaningful use guidelines
 - Provided primary care for patients.
- Developed Faculty Practice Site for Women's and Men's Clinic for Student Health Services
 - Day to day operations of the clinic
 - Developed policies and procedures
 - Developed protocols for management of care
 - Staff development
 - Direct patient Care
- **Global Engagement Participation/Lead Faculty**
 - Navajo Nation, Chinle, Arizona (multiple journeys)
 - Bolivia
 - Dominican Republic

5/08-July 2011

Title: Program Director
Gwinnett Technical College

- **Lead the development of the initial program development of undergraduate (ASN) degree from mission development to initial accreditation.**
- **Developed Georgia Board of Nursing required documents/reports for approval**
- Primary contributor for curriculum development ASN (Associate in the Science of Nursing).
- **Chaired committee charged with the development of the NLNAC Self Study earning initial accreditation.**
- Directs student enrollment 40 per cohort (80) per year.
- Directs operations of the program.
- Co-developed remediation modules for student success.
- **Responsible for assessment data for SACSCOC and internal assessment.**
- Recruits and evaluates all full-time faculty and staff.
- Responsible for course development, revision, evaluation, and re-evaluation.
- Directed all assessment and evaluation activities for program (NLNAC/SACSCOC).
- Recruited Advisory Board memberships.
- Developed professional development courses
- Branded the nursing program with LEAP-Learn-engage-assess-practice.
- Participates in committee work to determine general core for GTC students.
- Responsible for clinical and classroom direction of students-Blackboard supported.
- Developed and negotiated partnerships creating mutually beneficial opportunities.
 - Eastside Medical Center (\$500,000/5 years)

6/1990-12/1998

**Title: Staff Nurse/Nurse Manager
Medical Center of Central Georgia**

- Direct Patient Care (Family Birth Center, Post-Partum)
- Directs operations and policy and procedures of the nursing unit
- Evaluates all full time and part time employees
- Participated in quality assurance processes

Community Networking/Partnerships:

2010 Eastside Medical Center (\$500,000/5 years).
2013-2016 Northeast Georgia Medical Center (100,000 yearly)
2015 North Georgia Heart Fund
2015 **Georgia Mountain Health Services ***
2016 **Clarkston Community Health Center. ****
2016 Lanier Technical College
2017 North Georgia Technical College-waiver for RN students
2018-2021-House of Hope (RN/NP/Health Educator) ***
2020-Faithful Love-Respite for Victims of Sex Trafficking/Board Member (NP/RN)
2024-Hope 1312-Program to reduce child welfare and improve women's health.
2025-Safe Harbor, Maternity Home, NP and Health Educator for teen mothers.

*Georgia Mountains Health System is a FQHC center and I was able to work with them to obtain funding (access grant) for the Appalachian Nurse Practitioner Clinic (Primary Care Clinic for North Georgia Residents) which ensured sustainability for the clinic. This was a nurse managed clinic which was initially funded by HRSA grants. I participated in the securing of this grant and ultimately became the Project Director for the grant until it was accessed by Georgia Mountains Health.

**Clarkston Community Health Center has been noted as the most diverse square mile in United States. As a result of my leadership, we have established a memorandum of understanding to provide care and education to the residents of Clarkston.

***House of Hope is a faith-based home for victims (survivors) of domestic minor sex trafficking. I volunteered for this organization as a health care consultant-RN/NP/educator. Health promotion/health consultation is the primary task at hand for the residents of HOH (2018-July 2021).

***Faithful Love is a group home for adult women who are currently transitioning from prostitution/trafficking. Currently serving as health educator RN/NP (2020-2024). Board Member as of November 2021.

Hope 1312 (non-profit). Committee member/outreach to impact to reduce child welfare and improve women's health (current liaison).

Opportunity Uplifted: Community non-profit to reduce maternal child morbidity and mortality in Glynn County-community member and advocate.

For Good For Glynn: Co-Founder and President. Non-profit meeting the urgent and emergency needs of the community.

Safe Harbor: Teen Pregnancy Maternity Home. Volunteer NP-Monitors the health of teenage mothers while under the care of Safe Harbor.

Clinical Practice:

House of Hope: (2018-July 2021) Nurse/Nurse Practitioner/Nurse Educator for residential home for girls ages 12-18 who have been trafficked/sexually abused.

Faithful Love: (2020-2024). Nurse/Nurse Practitioner/Nurse Educator for respite home for women (18 y/o and up) who are seeking refuge from sex/labor trafficking-providing support (emotional/mental/health). Assists Ex. Director in operations, transports, and legal medical defense interpretation.

Opportunity Uplifted: Dedicated to improvement of maternal and child morbidity and mortality in Glynn County.

Safe Harbor: Teen Pregnancy Maternity Home. Volunteer NP-Monitors the health of teenage mothers while under the care of Safe Harbor.

Honors & Awards:
