Biography

Dr. Renee Miller joined Texas A&M University in 2023 as a Clinical Assistant Professor for the College of Nursing (CON). She graduated with her Associate of Applied Science from Hopkinsville Community College in 1999 and her Bachelor of Science in Nursing from Murray State University (MSU) in 2001. With an interest in academia, Dr. Miller graduated from MSU with her Master of Science in Nursing in 2010, with a focus on nursing education, and her Doctor of Nursing Practice, as a Family Nurse Practitioner, in 2017. Her research areas of interest include toxicology, mental health, and pediatrics.

She was inducted into the Sigma Theta Tau Honor Society during her coursework at MSU. She is an active member of the American Association of Nurse Practitioner's, National League of Nursing, and Austin Advanced Practice Nurses. Her past committees include serving on the Health and Clinical Enterprise Committee within the Texas A&M 2040 Executive Committee and The Total Program Evaluation Committee. She currently serves on the Student Policy & Scholarship Committee within the CON and helps with Kira Talent. She is an ATI Champion, assists with Adam's Place Support Group, and enjoys helping with Objective Structured Clinical Examinations (OSCE's).
